

Menna Davies & Sally Sutherland-Fraser

Perioperative Nurse Consultants with a reputation
for excellence in education, practice and standards

EDUCATION & CONSULTANCY SERVICES

Are you seeking to employ new staff, but do not have the personnel or resources to orientate and support staff who have little or no perioperative experience? Do you have staff re-entering the specialty?

You might be interested in:

- a Perioperative Nursing Fundamentals program covering theory and practice of perioperative nursing
- support for new staff with regular on site visits to assist them settle into your practice setting, incorporating our innovative 'Educator in Residence' program

Do you have staff who are underperforming?

We can carry out on site assessments and work towards agreed objectives

Are you unsure if you are meeting required standards of practice?

We can assist you by:

- undertaking practice reviews and developing strategies to meet NSQHS/ACORN Standards (see overleaf of CPD Services)

CONTINUING PROFESSIONAL DEVELOPMENT

'The day exceeded my expectations. As facilitators, you were a pleasure to be with.'
GENCA Workshop
March 2014

Finding it difficult meeting CPD/mandatory training requirements? Are you an Agency nurse or working for a Medical Company with no time for CPD?

We can provide Twilight Seminars (three hours of CPD topics straight after work), half or full day workshops on a range of topics including:

- BLS, manual handling, emergency evacuation drill
- Management of Intraoperative Medications
- Updates on latest policies and ACORN/NSQHS Standards
- Human Factors
- Infection Control
- Legal Issues
- Leadership and Mentoring

We can customise seminars to suit your particular needs.

*'Sally & Menna were awesome...
I learnt a lot, especially about
the importance of correct
documentation and legal issues'*
ASEPS Professional
Development Day, May 2014

HEALTH EDUCATION & LEARNING partnerships

Menna Davies and Sally Sutherland-Fraser each have over thirty years' nursing experience, specialising in the operating theatre environment and health education. In 2013, Menna and Sally brought their considerable expertise together and formed

Health Education & Learning Partnerships,

to provide customised learning opportunities and consultancy services.
